

Apex Advance - 70 Fast utilizes the exact same fast-dry and high release coating as our best-selling "95 Fast" version, but in a lower base weight for cost reduction as well as maximizing run time with increased roll-lengths.

Best for:

- Exhibit Graphics
- Sportswear and apparel
- Upholstery and Fashion fabrics

Custom Widths & Lengths Available:

52" & 64" x 656', 820' & 1,033' (widths up to 126" upon request)

Single roll and pallet quantities available. 30 Rolls per pallet, multi-pallet discounts available. Custom roll widths and lengths available upon request and will not be in stock. Please call us for more information.
